

BEFORE THE FISH, WILDLIFE AND PARKS COMMISSION
OF THE STATE OF MONTANA

In the matter of the adoption of a)
temporary emergency rule closing the)
Clark Fork River from the Tarkio) NOTICE OF ADOPTION OF A
Fishing Access Site to Forest Grove) TEMPORARY EMERGENCY RULE
Fishing Access Site, Mineral County,)
MT)

TO: All Concerned Persons

1. The Fish, Wildlife and Parks Commission (commission) has determined the following reasons justify the adoption of a temporary emergency rule:

(a) There is an immediate need for a source of water for aircraft dropping water on area wildfires.

(b) The aircraft scoop water with a large bucket while hovering over the surface of the Clark Fork River.

(c) Persons recreating on the river while aircraft are loading water would be subjected to potential collisions that could result in injury or death. Furthermore, flight crews would be subjected to increased and additional peril if aircraft had to maneuver to avoid recreationists.

(d) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the commission adopts the following temporary emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties, and published as a temporary emergency rule in Issue No. 18 of the 2007 Montana Administrative Register.

2. The commission will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on September 28, 2007, to advise us of the nature of the accommodation that you need. Please contact Jessica Snyder, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-4594; fax (406) 444-7456; or e-mail jesnyder@mt.gov.

3. The temporary emergency rule is effective September 4, 2007 when this rule notice is filed with the Secretary of State.

4. The text of the temporary emergency rule provides as follows:

RULE I CLARK FORK RIVER TEMPORARY EMERGENCY CLOSURE (1)
A portion of the Clark Fork River is located in Mineral County.

(2) The Clark Fork River is closed to all boating, floating, and swimming and any other public occupation of the river between Tarkio Fishing Access Site and Forest Grove Fishing Access Site.

(3) This rule is effective as long as this portion of the Clark Fork River is needed as a source of water for fighting wildfires. The commission delegates its authority to the Department of Fish, Wildlife and Parks (department), in consultation with the commissioner in the region, to determine when this portion of the river is again safe for boating, floating, and swimming and any other occupation of the water and to rescind the temporary emergency closure.

5. The rationale for the temporary emergency rule is as set forth in paragraph 1.

6. This rule will expire as soon as the department determines the river is again safe for boating, floating, and swimming and any other occupation of the river. This will depend on the extent and duration of wildfires in the area. Signs restricting use of the river will be removed when the rule is no longer effective. Notice of repeal of this emergency rule will be published in the Montana Administrative Register.

7. Concerned persons are encouraged to submit their comments to the department. They should submit their comments along with their names and addresses to Jessica Snyder, Legal Unit, Department of Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O.
